conference

Date: January 13-21, 2011

Election: January 21, 2011

# Assignment Description

Will your leader have what it takes to influence the course of history?

We live in a time of unprecedented technological growth and political upheaval. This is indeed the most exciting time in the history of our species.

We also live in a time of great crisis however. Climate change, water, food shortages, energy, poverty, and the threat of nuclear devastation are but a few of the challenges we face as a globe.

Thanks to recent advancements in time travel, we can now address these issues with the help of the greatest leaders and thinkers of all time.

Welcome to *Facebook Summit 2011*, A one-of-a-kind event of unprecedented importance!

## Your Task—Part I

Choose a leader/thinker from any time in history and design a Facebook campaign in an attempt to help them become the newly appointed World Leader.

### HOW?

Steps: **Leader Profile Page**

- Research your leader, obtaining all the information required to create a Facebook profile. (*See Mr. Cossette for a list*)
- Research and identify your leader's views on the following: *worldview, political ideology, human rights, etc...*
- Either locate a series of **at least 10** quotes from your historical figure that summarize their views, or write a series of your own, or both. These shall become Status Updates to be posted 2x daily during the week-long summit.
- **Submit this info to your Summit Leader no later than January 13, 2011.**
- ***Once granted approval, you may begin to create your Facebook Profile of your selected leader.***

## Your Task—Part II

### Post-Summit Reflection

As the conference winds down, you will be asked to write a response to the following questions:

*How do we avoid a potentially devastating global Collapse? What key factors must we consider? What role can our knowledge about the past play? What specific actions are required? How must our current worldview change?*

This response will be due the day of our Final Exam. Your response will need to be based on the Summit experience and on our work together over the course of the year.

### SUMMIT RULES

- ◇ **Your identity must remain secret for the duration of the Summit.**
- ◇ **All interactions MUST remain respectful, in accordance with the spirit of the Summit.**
- ◇ **All participants must adhere to the summit rules as they evolve.**
